### **Biography**

Assistant Professor Ertan TAŞKINSEL

He was born in Afyon in 1978. He completed his high school education at İçel Anatolian High School. He graduated from Hacettepe University Faculty of Dentistry in 2002. In 2009, he completed the PhD program of Dental Diseases and Treatment at Hacettepe University Institute of Health Sciences. Between 2009 and 2016, he worked as a dentist at Kuşadası State Hospital, and as a restorative dental treatment specialist at Söke Oral and Dental Health Center. In 2016, he was accepted to Dumlupınar University Faculty of Dentistry Department of Restorative Dentistry and was appointed as the Head of the Department of Restorative Dentistry in the same year. He has been working at Kütahya Health Sciences University, which was established within Dumlupınar University since 2018.
